Kange hapu ja soolane nisuõlu, pruulitud pohlade, kanarbikuõite ja -meega.

Välimus: Roosakaskuldne õlu kerge roosaka vahuga.

Aroom: Pohlad ja õitsev kanarbik.

Maitse: Esmamaitstes on tunda meeldiv mee magusus ja värske sai, mida balansseerib tugev pohla- ja puuviljakarakter. Järgneb mahe nisu, happene sidrunikoor. Järelmaitstes on tunda karge marjade mõrudus.

A strong sour and salty wheat beer brewed with lingonberry, heather tips, and honey.

Appearance: Rose gold with a light pink hue.

Nose: Lingonberries and freshly blooming heather.

Taste: First comes an inviting honey like sweetness and sourdough bread, balanced by a cascade of lingonberry and fruit character. Smooth wheat slides in, followed by freshly zested lemon riding in with the acidity, whilst a crisp berry bitterness comes through on the aftertaste.
