PÕHJALA

10.5% Imperial Baltic Porter

An Imperial Baltic Porter as dark as the Estonian winter nights. Strong enough to keep you warm through the cold evenings.

TASTE

A rich body comes through at first. Initially the espresso-like acidity is balanced by a sweet taste of caramelised toffee. As your glass warms up you should expect to taste redcurrant, mixed with a dark chocolate, washed down with a slight alcoholic warmth.

APPEARANCE

Pitch black — as dark as the night sky, with an opaque brown head.

NOSE

A clean burnt sugar dominates, immediately giving way to rich dark fruits — plums, raisin, and fresh cranberries. Eventually, a roasted smokiness emerges, like a distant bonfire on the horizon.
