

# Must Kuld

## 7.8% Porter

A rich porter with smooth honey notes. Brewed with lactose for that extra silky texture. Enjoy on its own or as a dessert at the end of a decadent meal. Contains barley malt and lactose.

### TASTE

As with the aroma, chocolate will come through first and foremost — this time a creamy white chocolate. Balancing this is a suggestion of delicate coffee with a decadent hint of raspberry and blackcurrant.

### APPEARANCE

Jet-black with a crema-like head.

### NOSE

The aroma of smooth milk chocolate will pour out of the bottle when opened, quickly followed by both honey and blackcurrant jam.

Serve 12–16° 33CL
