

Uus Maailm

4.7% Session IPA

A hop-forward California-inspired session beer. Brewed with oat flakes for an extra silky mouthfeel. Hopped and dry hopped with a blend of New World hops (Galaxy and Mosaic). Contains wheat and barley malts and unmalted oats.

TASTE

Dry and clean, this tastes as it smells — joining the fruity nose is a lemon and lime kick, with just enough bitterness to balance it out.

APPEARANCE

Pale golden with a cloudy haze and fluffy white head.

NOSE

Rising from the glass will be an intensely fruity punch bowl — tropical pineapple and passionfruit combining with ripe juicy peach and a hint of white grape must.
