

Virmalised

6.5% IPA

PÕHJALA

A powerful and hoppy IPA that uses a blend of American hops, giving the beer a fresh citrus and grapefruit punch. Contains barley malt.

TASTE

Initially pink grapefruit juice will wash over your tongue, with a zing of lively carbonation that follows you all the way down. Lime zest and even a hint of peppercorn can be found if left on the tongue, before the massive mango kick knocks through your teeth.

APPEARANCE

Deep orange with a crisp white head.

NOSE

The first flavour to jump out at you and pull you in is the fresh flavour of ripe mango – transforming into a candied grapefruit zest. Coming in just moments later is the seductive smell of sweet orange juice in the morning.

Serve 6–10° 33CL
