

Treeninglaager Tsitrus

0.5% Hypotonic Non-Alcoholic Lager

PÕHJALA

A citrus-flavoured hypotonic alcohol-free beer, which helps to restore the loss of fluid and minerals. Brewed in collaboration with Track & Field athlete Rasmus Mägi.

TASTE

The flavor is light and refreshing. The lemony acidity nicely balances the malty sweetness. The finish is long-lasting, and the beer has an excellent thirst-quenching effect.

APPEARANCE

A clear pale yellow beer with a finger-thick head that lasts a long time.

NOSE

The scent is pleasantly aromatic, filling the nostrils with fresh sweet-and-sour lemon peel notes.
